

## FLY AWAY WITH ME

Come fly away with me!  
Watashi to issho ni tobi tatou  
Why don't you come fly away?

I always put my foot in my mouth  
And say the wrong thing to your face  
I just want a simple life for a fool  
But not just the crumbs from your table

I might as well go fly away  
And take a bus to somewhere else

Well, I wouldn't do it again  
Not with you anyway  
It's hard to let go  
I'm floating away

I always struggled with this place  
Those dirty summers are a bitch  
The language never makes any sense  
Those vampire companies suck you dry

I might as well go fly away  
And take a bus to somewhere else

Well, I wouldn't do it again  
Not with you anyway  
It's hard to let go  
I'm floating away

Got a sense feeling  
Of who I was before  
Now I'm going to go down  
to a new place from afar

Climbing on the ceiling  
The silence of your thoughts  
Finding love and healing  
I'm the one who trapped himself
